

# Soft Ice Cream Machine S121

## Product features

### Eliminated frozen cylinder

One touch cyclic heating function, solves frozen cylinder problem completely.

### Pasteurization

No-clean for 14 days, keep the mixture fresh all the time.

### Air pump system

## Product parameters

Capacity: 80L/H

Specification: 890\*530\*980mm

Self-check

hopper: 2\*9.5L

Carton size : 1010\*650\*1197mm

Mix-low alarm

Cylinder capacity: 2.0L\*2

N.W.: 190Kg

Beater type: SS304

Power: 3.5KW

G.W.: 230Kg

Hopper agitator

## Refrigeration system

No.of compressors : 2

Compressor capacity: 3753BTU/h\*2

Gas of compressor : R404A

Refrigeration type: Air cool

Compressor brand : EMBRACO/TECUMSEH

## Transmission system

Motor: 2\*550W

Voltage type: 380V-50Hz/60Hz
